## WHERE IN CHINA

The direct translation for “Qinhuangdao” City is “The island for the Chinese Emperor”. As its name explains itself, Qinhuangdao is known as one of the most comfortable cities in China to live in. Qinhuangdao is a port city in the northeastern Hebei province of North China. It is about 300 km east of Beijing, on the Bohai Sea, the innermost gulf of the Yellow Sea.

Qinhuangdao, a beautiful coastal resort, has a great reputation for the perfect, natural, all-weather Port of Qinhuangdao, the distinguished and historical Shanhaiguan Pass and the ever-stunning summer holiday resort, Beidaihe. It has abundant tourist resources, including forests, rivers, lakes, springs, beaches, harbors, temples, gardens, villas, and ancient passes through its mountains. Qinhuangdao has many things to see and places to visit. Most visitors who come tend to spend

their best time at the beaches. Day trips to Shanhaiguan (the start of the Great Wall) and Beidaihe (Birdnest Hill) are hassle free and definitely worth doing. The city has a wide selection of entertainment options, but most are dedicated to the nightlife scene and dining.

Ok, if you can't remember all of this information about Qinhuangdao, then at least you should remember two things: Qinhuangdao is the start of the Chinese Great Wall and the city for the Chinese Emperors.

## AMBASSADØR – FRA HJØRRING TIL KINA

### FREMTIDSPLANERNE

I september rejste Nicklas Krantz Christensen til havnebyen Qinhuangdao i Kina for i tre måneder at fungere som hjælpelærer i engelsk på en skole med elever i aldersklassen 6-16 år. Når han kommer hjem, tager han igen fat på fritidsarbejdet i et varehus. Derefter er planen at komme ind på Aalborg Universitet til et bachelorstudie inden for finans. Det hele begyndte på hhx i Hjørring og er endnu et eksempel på, hvad EUC Nord's internationale orientering kan føre til.

### STUDIEREJSEN

Inden Nicklas i 2011 sluttede på hhx, var han i foråret sammen med 13 andre elever og to lærere i Kina i to uger. Først i Beijing, hvor der bl.a. var virksomhedsbesøg hos Vestas og derefter ti dage på college i Qinhuangdao – 350 km øst for Beijing.

– Vi fulgte undervisningen på et college, hvor der både var merkantile og tekniske uddannelser. Eleverne var noget ældre end os, så i deres øjne var vi vendelboer børn. Vi blev undervist af to studerende på skift og overværede ellers den almindelige undervisning. Ret autoritær og med lokaler og faciliteter, der kan betegnes som minimalistiske i sammenligning med dem, vi var vant til i Hjørring.

### GENVISIT FRA KINA

I august i år var der genvisit fra Qinhuangdao på EUC Nord i Hjørring. De kinesiske elever var udvalgt blandt de bedste på college og havde svært ved at forstå, at vi 14 elever, der tidligere havde været i Kina, var et samlet hold og ikke blot elitestuderende.

### PYNTER PÅ CV'ET

– Det var en stor og anderledes oplevelse at være i Kina. Også på det menneskelige plan. Nogle af de venner, jeg fik, har jeg jævnligt talt med via Skype, og jeg håber at møde nogle af dem, når jeg nu vender tilbage som lærer.

– Det er bestemt ikke for pengenes skyld, jeg tager tilbage til Qinhuangdao. Mit fritidsarbejde i Bauhaus er med til at finansiere turen. Umiddelbart kan jeg ikke bruge de kinesiske erfaringer i mit fremtidige studie, men ved at komme væk fra de trygge, hjemlige rammer og ud i den store, vide verden, får jeg nogle erfaringer, der vel også kan pynte på mit CV. Så det kan hhx i Hjørring også bruges til, siger Nicklas Krantz Christensen.
